Intro: **C Dm7 C Dm7**

C **Dm7**
Hear, O Lord, the cry of my broken heart
C **Dm7**
Turn Your face toward me in my fear
Am7 **F2**
Light the flame of peace against my darkness
Dm7 **G7^{sus4}** **G7**
And whisper once again that You are here

Capture all my tears in that jar of Yours
Write each hour of weeping in Your scroll
Hear my call and answer, Lord, defend me
I need Your healing for my shattered soul

F^{maj7} **G**
(*) For You are God, in the face of all my questions
Em **Am**
Faithful no matter what my troubled mind may say
F^{maj7} **G**
You are God, as You have been through the ages
Dm7 **G** **C**
Almighty God, be God for me I pray

Jesus, from the depths I reach up to You
Praying that You'll be my hiding place
Shelter me from voices that are mocking
And speak to me the gentle word of grace

Comfort me and guide me through the shadows
Lead me to the waters that are still
Fill my failing vision with Your glory
Imprison me with fresh hope in Your will
